

## Safeguarding plans for cultural heritage in disaster management

Most countries around the world today have provisions for safeguarding cultural heritage in their disaster management plans either as part of their obligation under international law or specific requirement of the national civil protection laws.

### Applicable to:

Stakeholders: [Customs/traditions/rituals](#), [Rule of law](#)

Disaster Phases: [Response](#), [Preparedness](#)

Types of Actors Concerned: [National civil protection body](#)

Hazards: [Natural hazards](#), [Man-made non-intentional hazards or emergency situations](#)

### Source

[Deliverable D6.3 "Report on cultural issues as provided for within select European states and their relevance in disaster situations" \(page 30\)](#)
