

## Vulnerable groups in the Maltese setting

Maltese participants named other groups that may be vulnerable during disaster, such as people with a low socio-economic status (low education, low income), homeless people.

### Applicable to:

Stakeholders: [Social exclusion](#), [Socio-economic status](#)

Disaster Phases: [Response](#)

Types of Actors Concerned: [Local authorities](#), [Red Cross](#), [NGOs](#), [Healthcare and emergency services](#), [National civil protection body](#)

Hazards: [Natural hazards](#), [Man-made non-intentional hazards or emergency situations](#), [Man-made intentional hazards](#)

### Recommendations:

- [Develop guidelines for disaster practitioners that take into consideration the different needs of and approaches to different ethnical groups](#)
- [Consider vulnerable groups when designing and implementing disaster response measures](#)
